

Me and my life

Greifswald

My hometown

- officially the University and Hanseatic City of Greifswald
- population: 59 232
- 12 500 Students and 5000 employees of the [University of Greifswald](#)

Evangelisches Schulzentrum Martinschule

My school

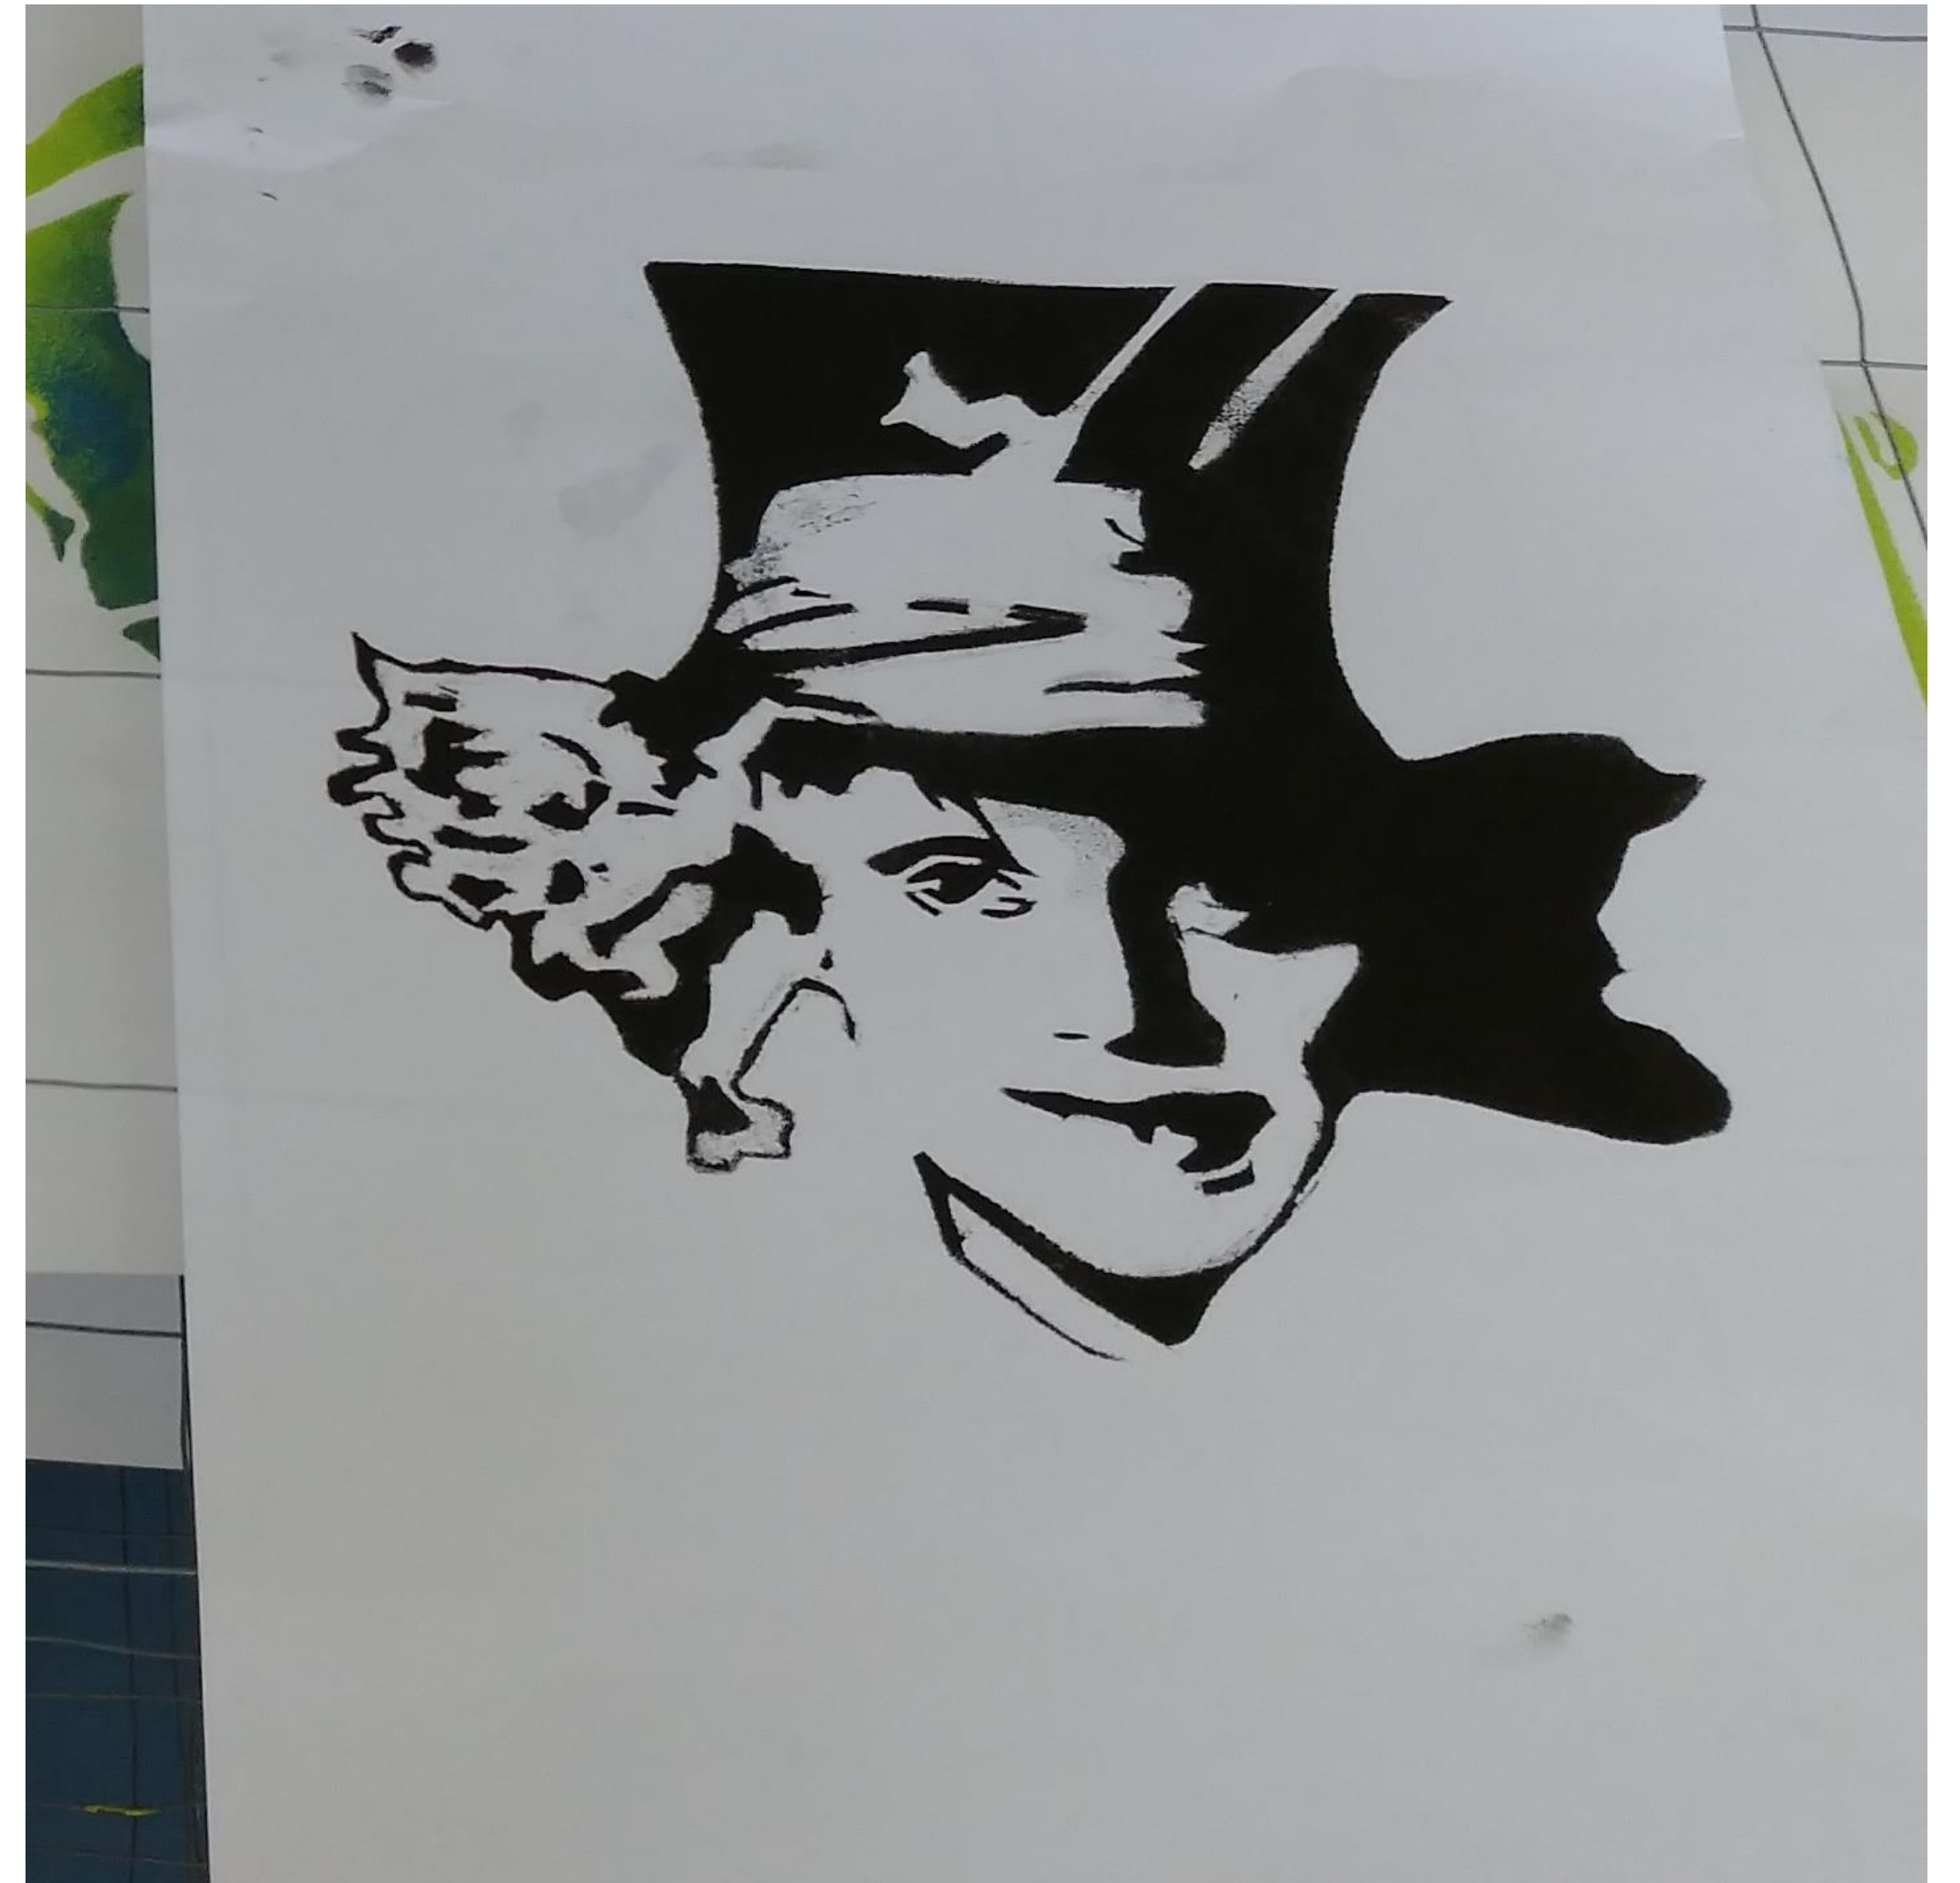

- A protestant school
- For handicapped and „normal skilled“ children
- Primary-, secondary- and Highschool (first to 12. grade)
- Founded in 1992 as a school for handicapped children -> since 2011 for all children
- is based on joint learning between disabled and non-disabled children

My projects in school

- Singing in the school choir
- Our class prepared songs for the Certificate Issue of the classes of 2019 (next video)
- Our class prepared a concert to collect money in 2019
- Different art projects (picture —>)
- And more...
