

## International volunteer day

(MIĘDZYNARODOWY DZIEŃ WOLONTARIUSZA)

I wish you your dreams come true, joy in your heart, achieving your goals, satisfaction in your personal life and, above all, that every good deed, every smile and good word will come back to you and give you strength.

## Thank you

for your time in Fundacja Ewngelickie Centrum Diakonii i Edukacji for helping us learn the English language.
